

# OUTREACH Prayer Update

**April, 2010**

Our church planters depend on the prayers and encouragement of God's people. OUTREACH NORTH AMERICA provides this monthly prayer letter to inform you of some of their specific needs and praises so you will know better how to pray for them. Thank you for your prayers and the interest you show by your phone and e-mail responses. Your prayers truly encourage your church planters. (See the bottom of this e-mail for a summary of all the mission churches included in this update.)

In general

- Pray for the ONA Board meeting April 12-13 as we develop new 5-year goals.
- Pray for the remaining presbyteries that are meeting this month instead of March and for the church extension work in our presbyteries.
- Pray for the Carolinas New Church Community that meets April 19-20. Training topics will be planning and setting spiritual priorities.

## Canadian Presbytery

**London, Ontario (exploratory)**

- We are starting a large scale flyer distribution in the neighborhood around the school where we meet. Please pray that this would reach some who would recognize their need for God's grace and mercy in Christ.
- For Rev. Brian Murray as he heads up this work for now while he completes a Th.M. degree.

Give thanks

- For several visitors. Pray that they may be encouraged to make Redeemer their church family.

**Christ Coastal Church, Southport, NC**  
**Rev. Walt Shepard [waltsheward@gmail.com](mailto:waltsheward@gmail.com)**  
 Praise and Prayer

- For the very small beginning of a blogspot and Facebook for the church- thanks to a daughter in Gordon College, learning what she can about graphics arts. She has a logo for us now, and we are beginning to "get out there."
- For a contact we can call 'Chip' who is a 'gatherer' of colorful non-churched folk. Pray that we can work out a venue for a Sunday coffee club to discuss the "best life He has to offer all sorts of folks."
- The 8:30 Sunday mornings at our living room are sporadically attended by a handful. One couple is talking 'commitment' and seems to be growing. The give and take we have in the teaching/listening is very helpful for me.
- A couple across the street is very receptive to us now. The husband is dying of cancer, but has really opened up his life to the Lord and they are both very warmly responsive. Another couple we have helped to move into the neighborhood is very interested and responsive as well. Pray that we can be directed to those who want to get on board!
- At a CPR class in the community center, we met some very open folks. While with the people I was able to test the waters for future use of the club house in our development for church activities.
- For a couple of openings to serve in the community: All four of us were involved in helping to put on a Hispanic luncheon to raise money for Hispanic outreach with a local evangelical Methodist church. We will be helpers at a rally for kids on May 1.
- For the wide open door of ministry with the sailboat crowd. I am not a golfer, but I hope to make up for that with the boating crowd-a huge segment of unchurched folks. There is a huge dinner party for the Power and Sailing Squadron this Saturday night that we are invited to.
- For two kids of ours who are enjoying ministry to little kids in a large contemporary church. They are finding the evangelism opportunities to be really fun. They have seen a dramatic acceptance to them both in another church's youth group ministry.
- For a neighborhood mom's club that Val leads which began this week at our house. Pray with us that this is something that the Lord can use to encourage and evangelize a lot of young moms.
- For the folks who are responding to our call for prayers, the goal is 120. They are answering and we are three-fourths of the way to our goal now. Locally we are seeing some various ones interested in praying kingdom-focused prayer with us one-on-one. Thank You, Jesus!!!
- Val has joined a group of women who are growing and cooking organic/gourmet foods. It is an opportunity for Val to be a light among some unchurched ladies. We thank Him for the opportunity, and today she gives a talk on good eating and good living--in Christ who in John 4 talks of 'magic' water and 'magic' food.

Catholic Charities are doing a great job for them and have given them a bed, crib, camping table and 3 folding chairs and other household items which they can take with them (and are even renting a couch for them for now). The only problem is that they are about an hours drive from us which is very inconvenient for church, etc.

He has to have that and part of his intestines removed and they think that will get out all of the bad stuff. But basically it's cancer that they caught early. So hopefully it won't get bad. But he will be in the hospital for a while for his surgery."
